

Get Started with Zelle®

Sending money to friends and family should never slow you down. That's why we're working with banks and credit unions to make it fast, free¹, and easy to send money to almost everyone you know, even if they bank somewhere different than you do.¹

Zelle® is already in over a thousand banking apps. To find out if Zelle® is in yours, search the list below for the bank or credit union where you already have a bank account. If you already have Zelle® in your banking app, GREAT! Follow the steps to enroll and start sending and receiving money. If you don't, no worries! You can still get in on this awesome way to send money by downloading the Zelle® app.
